# MEMBERS' HANDBOOK

## 1. Introduction

---

Welcome to the Brisbane Buccaneers Ice Hockey Club Incorporated (the 'Club') handbook. This handbook provides members with the Club history, structure, affiliations, registration details, payments, link to guidelines and other relevant information about the Club.

It is the Club's objective according to Clause 3 in the Club's Constitution to conduct, encourage, promote and advance the development of ice hockey (in all its forms) for the mutual and collective benefit of its members while providing a safe, positive and supportive community environment in which all Club members and their family can enjoy ice hockey and interact socially. The Club wishes to support the development of all playing members on a fair and equitable basis from our 5 year old juniors up to our Masters (35+), to help achieve team goals.

The [Constitution](#) sets out the objectives, powers and general provision on how the Club will operate at a governance level. However, at a day to day level, we need the assistance of many of our volunteer members' assistance.

## 2. Club History

---

We come from pretty humble beginnings – a couple of guys wanting to play ice hockey back in 1980's formed the Toombul Blackhawks at the 4 Seasons Ice Palace at Bage Street, Toombul

The Brisbane Buccaneers Ice Hockey Club was formally incorporated in 1996 and Boondall became our home rink. From here we started a junior league and now have close to 300 members across our Junior and Senior divisions. Our Buccs players have played in State representative teams from U13 through to U18. We also have Club members representing Ice Hockey at a national level playing in the Australian Ice Hockey League for the Brisbane Lightning, as well as members playing in other national teams that are selected by Ice Hockey Australia.

## 3. Club Structure

---

### 3.3 Volunteers

---

Our Club does not function without the countless hours of work put in by our wonderful volunteers. The Club is always looking for helpers;

- Each team needs a manager to assist the Coordinator's and coaches with distribution of communications;
- Each team needs a certified coach;
- Each game needs a First Aider, scorer and time keeper;
- The nets need to be put up and down at each ice session.

If you don't know what/how to do it, just ask and you will quickly learn, none of these roles are difficult, they just require a little bit of time and effort and the more volunteers we have the less time it will take and the more you and the players will benefit.

All volunteers assisting directly with players under the age of 18 in QJHL divisions must have a Blue Card. These are free and relatively easy to obtain – please contact the Junior Coordinator for further information. In addition, BUIHL requires all listed coaches have a Blue Card, as well as team managers if a junior is on the team roster.

Prior to the beginning of every season, the payment process for registration and ice time (training and game) fees is updated and forwarded to each player and provided to new players who join after the season has started.

To play ice hockey at any level with the Club, each player must have IHA, IHQ and Club registration (as noted above in section 4). Payments for these registrations must be made before a player can step on the ice to participate in a game, scrimmage or training, there are no exceptions to this rule.

All Registrations expire on February 28/29 of the following year.

In addition to registration (as outlined in section 4), there are also training and game fees. Training and game fees vary depending upon age division, number of games and training sessions. Separate training and game fees apply for the summer season too.

All training and game fees are paid through official TeamLinkt accounts via credit card or PayPal.

**NOTE:** A player will be non-financial if payments of registration, training or game fees are not made on or by the due date. Players will **not** be allowed on the ice for training or games until all fees are paid. The Executive Committee and Team Managers will strictly enforce this. Any player experiencing injury, illness or financial hardship must contact the Junior or Senior Coordinator in writing and this will be dealt with on a case-by-case basis.

### **5.1 Refunds of Registration Payments**

---

With the exception of the Club Registration fees, registration payments are non-refundable. Requests for a pro-rata refund of the Club Registration fees must be made in writing to either the Junior or Senior Coordinator and may be refunded pending approval of the Club's Executive Committee.

### **5.5 BUIHL Payment by Substitutes**

---

Teams participating in the winter or summer season are encouraged to fill player vacancies for any given game from the rosters of the teams in the grade below them. Fully registered players thus recruited who have paid their ice time installment do not owe a sub fee to play as a substitute in an upper grade.

A limited number of fully registered players who are not rostered on any team may be allowed to be substitutes during any given season with the approval of the Senior Coordinator. A player may sub into a team however a sub payment is required.

## 5.6 Payment Plans for Ice Time

---

Under exceptional circumstances and only with the prior written approval of the Executive Committee, a player can arrange to make payments of the amount owed under an ice time installment. In all cases, all amounts owed for the season must be paid in full no later than the third to last game of the season. Payment plans do not (and can not) be applied to the Club, IHA and IHQ registration fees.

## 6. Insurance

---

Insurance is compulsory and is included in the IHQ membership fee. Registration will ensure that all members are appropriately insured. As set out in [Ice Hockey Australia](#), it is also advisable that all members assess the need for medical insurance due to the nature and risks inherent in playing ice hockey. If a member is injured in anyway and would like to make an insurance claim, it is important to follow the process outlined on [Ice Hockey Australia](#). The insurance company Ice Hockey Australia use is Gallagher. Further information can also be found on [Gallagher's](#) website.

## 7. Injury

If an injury occurs to a Club member while engaging in ice hockey at a sanctioned IHQ game or training session, either in BUIHL or QJIHL, an IHQ injury form (either digitally or paper based) must be filled out by a first aid officer at the rink. The member is required to receive a copy of the completed injury form, and a completed copy of the form is to be forwarded to IHQ by the injured member within 24 hours of the injury occurring.

## 8. Conduct of Members

  - Benching for short periods, or;

### **Guidelines for Parental Conduct: Ice Entry at Hockey Events**

To ensure the safety and integrity of Ice hockey games, parents and other spectators must adhere to strict limitations regarding ice entry. All non-players are prohibited from entering the ice unless explicitly instructed by an official. This rule protects players and officials from confusion, potential hazards, and maintains game integrity.

Officials are responsible for managing emergencies and injuries, and only they can request parental assistance on the ice. Parents should stay in designated spectator areas and await instructions if their presence is needed to assist with junior players in both junior and senior games. Entering the ice without permission can lead to warnings, expulsion, or suspension of attendance privileges.

Before each season and game, coaches should remind any non-registered volunteers/spectators of these guidelines. Clear signage and periodic announcements will reinforce the rules. Special arrangements should be made in advance for players with specific needs, and officials may make discretionary exceptions as necessary.

for a player, please liaise with the Junior Coordinator. Consultation with team coaches and the Coaching Director will be undertaken where an assessment and appropriate action will be taken, Coaching Director's decision is final.

### 10.3 QJIHL Team Allocation

---

With the QJIHL, the number of teams formed each season will depend upon the number of players registered in each division. It is the Club's intention to have at least one team in each junior division.

Player assessment will be undertaken by the coaches in each division to ensure game readiness and safety needs are met prior to a new player being allowed to play games in the QJIHL. Once a player has been assessed by the coach of the age division, a discussion will be had with the player and their parents with the Junior Coordinator and relevant coach to identify an appropriate time frame that will allow the player to be included in games.

All players will be encouraged to attend training, even those not yet ready for games. All players are required to attend trainings to be considered for placement in games, and coaches' decision is final. Players are asked to notify of any absences for training and games via TeamLinkt to their respective coach and/or Junior Coordinator. If players are absent from training without prior notice to the coach or Junior Coordinator, their placement in games will be assessed on a case by case basis.

### 10.4 QJIHL Club Jersey and Number

These training jerseys are on loan for the duration of one season and returned by the player at the conclusion of the Winter season each year. Failure to return the training jersey may result in being allocated a training jersey the following year. Grey training jerseys are to be worn to all training sessions. Club game jerseys are not to be worn during training unless approved by a coach.

Players are expected to wear the appropriate jersey and socks for each game and training session.

## 10.6 BUIHL Team Allocation

---

Allocation to BUIHL/senior in-house competition divisions will be based on a skills assessment undertaken with the Senior Coordinator and/or the Coaching Director. Joining the Club will not automatically allow you to choose your team or division and may not result in you being allocated to play competitively. Please contact the Senior Coordinator about this process.

## 10.7 Masters

---

Members can express interest in joining the Masters League by reaching out to the Executive Committee for further information. Masters is played on Tuesday evenings at Boondall Iceworld.

## 10.8 Seasons

---

The Club has seasons that run all year round – QJIHL (Juniors) and BUIHL Divisions 1-3 run from March to October and BUIHL Divisions 4-5 & Queensland Super League (QSL) operate from October to February. When ice time is available, QJIHL may run Summer sessions during their off-season. Online registration commences in February and will be announced through Club communications.

During the BUIHL Division's off-season the Club runs in-house competitions (i.e. BUIHL Div 4-5 from March – October and BUIHL Div 1 & 2 & 3 from October – February). QJIHL players over the age of 14, with appropriate clearance, may play into the off-season in-house competitions. ## 10.9 Women's Development

## 10.10 Coaching

---

The Club tries to provide training opportunities for all members from 5 year olds through to senior members. However, due to the limited ice time made available to the Club, training is subject to scheduling in any given season.

The Club's accredited coaches plan each training session to ensure that appropriate skills and

activities are provided for all skill, age and size, etc. If you have any questions or would like to become involved as a coach, please contact the Club's Coaching Director.

[Coachingdirector@brisbanebuccaneers.com.au](mailto:Coachingdirector@brisbanebuccaneers.com.au)

## 10.11 Training and Games

---

Training and game times are subject to scheduling each season. The Club's ice time is limited to certain sessions by Iceworld. Please ensure that you liaise with your team manager if you have any queries about your team's game or training times. The QJIHL and BUIHL use the TeamLinkt app with all notifications of team games and training communicated via this app. Members are to ensure they have access to [Team Linkt](#).

## 10.12 Suspensions

In Ascending Order:

**Competition:** Participants are suspended from taking part in a sanctioned competition, generally as a result from a penalty within that competition. These may be as a result of the following penalties:

\* *Game Misconduct:* Players are suspended from the remainder of the game, and miss out on 1 additional game.

\* *Match Penalty:* Players are suspended from the remainder of the game, and miss out on 2 additional games, plus this penalty triggers a review by the Tribunal committee.

Players may be referred to tribunal for Hockey related incidents, regardless of severity. This is generally at the referee's discretion.

**Club:** Players can be suspended for any length of time at the club's discretion, generally for code of conduct breaches or non-sanctioned event incidents.

Players may not take part in ANY event as a representative of their club, sanctioned or unsanctioned.

**IHQ:** Players banned from Ice Hockey Queensland are banned from participating in ALL hockey events in Queensland, both sanctioned and unsanctioned, to avoid nullifying insurance for others on the ice. Generally, this determination will be provided at a tribunal.

**Rink:** Players banned from both Iceworld rinks at their own discretion. Players cannot play or spectate for the entire duration of their ban. The clubs generally will not provide additional suspensions unless hockey related.

## 11. Come & Try Program

---

The Club's Come and Try Program is run in February each year and is open to players aged 5 - 11 years who want to try ice hockey for the first time. The program is funded by the Queensland Government and IHQ and is completely free of charge to eligible participants. Some gear is available through the Club, with a deposit.

The Program consists of 2-4 on-ice training sessions (dependent upon availability of ice time and coaches) and players are encouraged to attend all sessions.

It is recommended that participants have basic skating skills. These can be gained through the [Aussie Skate Program](#) run by the rink, Iceworld Boondall prior to attending the Come and Try Program. Skate school is also recommended for any age group throughout the ice hockey season.

Keep an eye out for notices on the [Club's Facebook page](#) for Come and Try information.

## 12. Training Camps

There are opportunities for players at a competitive level to participate in tournaments both in Australia and overseas.

The Club is very proud of all our players who represent Queensland at the highly competitive national tournaments for elite players from all States and our players who represent Australia overseas. For National and State representative opportunities refer to [Ice Hockey Australia](#) and [Ice Hockey Queensland](#) for further details of age specific tournaments and Australian team opportunities.

## 15. Member Protection Information Policy

---

The Club has the Sub Committee position of Member Protection Information Officer (MPIO). The Club has adopted IHA's [Member Protection Information Policy](#) that outlines responsible behaviour and the making of informed decisions by members and other participants of the Club.

The Club's primary responsibility is to promote a safe and fun environment where all can come and enjoy playing ice hockey.

We encourage all our members to read the Member Protection Policy (from Ice Hockey Australia) and ensure that they are familiar with this policy.

The Club takes all complaints about on and off-ice behaviour very seriously. Any on-ice behaviour that is reported by an IHQ referee will be dealt with by the IHQ Disciplinary Tribunal. Nevertheless, there are times when on and off-ice behaviour may also require Club intervention.

The Club recommends that if you have a complaint that you undertake the following process:

- Speak directly with the person concerned – please be respectful and patient (we recommend that any discussion not be undertaken in front of junior players – and that the discussion occurs after you have had some time to process your thoughts);
- Speak with a Team Manager or Junior/Senior Coordinator – again the same rules apply as above;
- Lodge a formal complaint with the Club – all complaints must be in writing and forwarded to [mpio@brisbanebuccaneers.com.au](mailto:mpio@brisbanebuccaneers.com.au) No complaint will be received in the first 24 hour period after the event (unless police are involved or the incident relates to suspected child abuse, sexual assault or other criminal activity). If you lodge a complaint within the first 24 hours of the event, you will be asked to re-lodge it once this period has expired. Only upon formal submission of a written complaint will the Club undertake an investigation;
- Lodge a complaint with IHQ – Please note that all IHQ complaints must be lodged within 48 hours of the incident in order for IHQ to commence an investigation.
